The script has no rendezvous points.

### 3 List of Parameters

The script has no parameters.

## 4 Business Process Description

### 4.1 Step: web\_url

The screenshot shows a web form with a light blue header. The header contains the text "Got a specific query?" in bold, followed by "Fill out the form below and we'll get back to you or speak with the team now on 020 3637 1234". Below the header is a section titled "Enter your details" in blue. This section contains three input fields: "First Name\*", "Last Name\*", and "Email Address\*". There is also a small, empty rectangular box below the email field. The form is displayed within a browser window with a scrollbar on the right.

#### User Operations:

- Navigate to 'http://qa1.bystored.com/contact-us'.
